

Alabama Ladies Spring Two-Person Scramble

The Alabama Golf Association has adopted the following guidelines to protect the health and safety of players, spectators, AGA staff, host club personnel, and volunteers. Please contact an AGA staff member with any questions or concerns.

Self-Screening and Social Distancing

- All players, spectators, staff and volunteers must self-screen prior to being on-site at tournaments. Please stay at home if you are not feeling well, have a fever, or are experiencing any [COVID-19 symptoms](#).
- Social distancing, defined by at least a six-foot separation between people not from the same household, must be practiced by all attendees at the host site and will be enforced by the [AGA Code of Conduct](#).

Facility Access – Masks required to enter Clubhouse

- Masks are required indoors except while actively eating or drinking. Mask policy still applies to individuals that have been vaccinated.
- Players *should not* arrive at Ross Bridge more than 1-hour prior to their assigned Starting Time.

Registration

- Players will receive their gift package at scoring after the round that includes:
 - Imperial Hat (must make a visual selection and once touched it is yours)
 - Sanitized tournament supply package that includes a small supply of tees, (2) pencils, (1) AGA ball marker, (1) PPE mask (for evacuation and entry to the clubhouse)

Caddies and Spectators

- Caddies will not be allowed at this Event.
- Spectators are welcome to walk with a group by staying on or near a cart path or in the rough at all times while on the golf course. Please remember to follow social distancing guidelines. Spectators can assist in a ball search and provide items such as food or drinks to players.

Event Materials

- AGA will not provide sunscreen and bug spray for player use. Please bring your own supply.
- Event paperwork (rules sheet, Code of Conduct, hole locations) will be provided digitally via text, email, and event website prior to the round. Players may also take a photo of a hard copy that will be available on the starting tee.
- A paper scorecard will be issued (see Scoring).

Scoring

- Players should download the free *USGA Tournament Management (USGA TM)* app prior to arrival at the Starting Tee. Group GGIDs will be provided to players on the Starting Tee prior to their round. One member in each group will be required to record every player's hole-by-hole scores in the USGA TM app during the round.
- Players will be assigned a marker by the starter and receive an unofficial scorecard on the Starting Tee from a PPE masked staff member.
 - Scorecards will not be exchanged or manually signed. They are for score keeping purposes only.
 - Scores will be verbally certified with an AGA official in the scoring area.
 - Players will stand at an individually designated location in the scoring area at least six feet apart to review scores on the TV monitor and verbally certify their scores with the AGA official.
 - Players are asked to leave the club premises as soon as practical once their score has been certified.

Bunkers, Flagsticks and Hole Inserts

- Any bunker rules or procedures will be determined by AGA staff upon arrival at Ross Bridge and communicated to players prior to the first round.
- Players may remove the flagstick if they so choose.
- There will not be any items (e.g., PVC, foam, etc.) placed in the bottom of holes so golf balls will come to rest in the bottom of the hole.

Food & Beverage

- Host club dining facilities will be open, but we ask players and spectators to limit their time dining and remember to social distance.

Bottled Water and Sanitation Stations

- AGA will provide bottled water and sanitation stations for player use.
 - Players are encouraged to sanitize before and after touching water coolers.

Awards Ceremony

- AGA will limit attendance at an award ceremony to those specific players receiving an award and their immediate family members. Awards Ceremony will utilize a “touchless” process where players will be called individually to pick-up their award from the table.
