### Practice Rounds and Practice Facility

You are entitled to **one** practice round on June 21. You may call the golf shop (205) 332-1902 to reserve a practice round tee time. Make sure to identify yourself as an Alabama State 13 & Under Junior Championship participant. It would be helpful if you make your own group before calling. Do not just show up at the course and expect to be accommodated for a practice round. There is a **mandatory** \$30.00/player fee for the practice round. Players are limited to playing one ball except from the teeing ground. Players are welcome to use the practice range and putting green throughout the championship.

### Starting Times

Starting times for June 23 will be available on June 16 by 5:00pm. Check the AGA website at [www.alabamagolf.org](http://www.alabamagolf.org) or call the AGA office.

- Any other ties in all other divisions will be resolved by matching scorecards according to the USGA recommendation within the Committee Procedures of the Rules of Golf – “Matching Scorecards”
- Initial groupings will be for Round 1. Players will be re-paired by score for the Final Round.

### Pace of Play

The AGA wants all players to enjoy competing in our events. Pace of play may differ depending upon the venue, weather, and course conditions. Every player is accountable for playing at an acceptable pace; therefore, we need your help. Please observe the following guidelines to help ensure a pleasant tournament experience for all:

- Make sure to keep pace with the group in front of you. The group behind should keep pace with your group and so forth.
- Go directly to your ball.
- Be ready to play when it is your turn.
- Keep practice strokes and time taken to read putts to a minimum.
- Play a provisional ball if your original ball may be lost or out of bounds.
- Keep time taken at the snack bar or between nines to a minimum.

If everyone does their part, then 4½ hours should be the maximum time taken to play a round of golf at an AGA tournament. Following the lead of the USGA, the AGA has developed a pace of play policy, based on Rule 5.6b and Model Local Rule 8K that is fair to every competitor.

\*Note: a group may receive a “friendly reminder” of their position regardless of pace of play guidelines.

### Maximum Allowable Time

The maximum allowable time is the maximum time considered necessary by the Committee for a group to complete its round. This is expressed in a per-hole and aggregate time format and includes all time associated with playing the game, e.g., for rulings and walking times between holes.

Both the specific maximum time allotted per hole and for the completion of 18 holes at AGA championships will be denoted on each player’s AGA issued scorecard.

See the complete [AGA Pace of Play Policy](#) for the procedure if a group is “out of position” and penalty for breach of Pace of Play Policy.

- A competitor’s time to play begins when the competitor has had a reasonable opportunity to reach his or her ball and when it is the competitor’s turn to play and can do so without interference or distraction. Penalties are applied individually, but more than one competitor in a group may be penalized.
- In general, competitors in a group are subject to being timed at any time but specifically when the group is deemed to be out of position and over the allotted pace of play guidelines.

Note that a group that is out of position at any time may be asked to close the gap regardless of pace of play guidelines. A group is out of position if they are over their maximum acceptable pace of play and more than 15 minutes behind the group ahead of them. The first group off either side is out of position if they are over their maximum acceptable pace of play.

- *Practice Rounds:* Practice round fees are not included in the entry fee.

Caddies will be held to the same dress and code of conduct policies as the player. Caddies must walk during the championship rounds. **Parents / Guardians are allowed to caddie for the 6-8 age divisions only.**
