MAXIMUM SCORE (13 & Under and 8-11 Age Division ONLY)

Maximum score per hole is 9 strokes. The hole is completed when the player holes out, chooses not to do so or when his score has reached the maximum. To encourage pace of play, players should stop play of a hole when their score has reached the maximum. Rule 21.2b is modified in this way: In order for a player to take the maximum score for any hole, the player must first make a stroke on that hole. This applies to each hole of the round.
