The condition of competition is available for review on the U.S. Junior Amateur Championship entry application. The USGA and R&A have created a reference resource called the Informational Club Database to assist golfers in determining whether their irons, hybrids and fairway woods comply with the New Grooves Rule Specifications. For information about and to access the database, please use the following link: <http://www.usga.org/InfoClubsDB/intro.html>

For more information, visit www.usga.org/dmd.

Pace of Play Policy

A group that is out of position will be advised of the situation and the individuals may be timed. The players will be notified that exceeding 40 seconds to play their next shot will result in a penalty of one stroke. A second violation will result in a two stroke penalty, followed by disqualification for a third violation.

A player's time to play begins when the player has had a reasonable opportunity to reach her ball and when it is the player's turn to play and can do so without interference or distraction. Penalties are applied individually, but more than one competitor in a group may be penalized.

Pace of play guidelines are an average of 15 minutes per hole or approximately 4:30 for the round. Hole by hole time par is listed on the player's scorecard.
