New Grooves Rule Condition of Competition in Effect for U.S. Amateur Four-Ball Contestants

In Sectional Qualifying and in the Championship proper, the player's clubs must conform to the groove specifications in the Rules of Golf that are effective from January 1, 2010. The condition of competition is available for review on the U.S. Women's Amateur Four-Ball Championship entry application. The USGA and R&A have created a reference resource called the Informational Club Database to assist golfers in determining whether their irons, hybrids and fairway woods comply with the New Grooves Rule Specifications. For information about and to access the database, please use the following link: <http://www.usga.org/InfoClubsDB/intro.html>

*Penalty for Carrying, But Not Making Stroke with, Club or Clubs in Breach of Condition: Two strokes for each hole at which any breach occurred; maximum penalty per round – Four strokes.

*Penalty for Making Stroke with Club in Breach of Condition: Disqualification

Distance Measuring Devices

In Sectional qualifying and in the Championship proper, a player may obtain distance information by use of a distance-measuring device. If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g., elevation changes, wind speed, etc.), the player is in breach of Rule 14-3. For more information, visit www.usga.org/dmd.

Transportation (Players Required to Walk)

Players must not ride on any form of transportation during a stipulated round unless authorized by the Committee. The optional condition prescribed in Appendix I of The Rules of Golf will be in effect. Players may carry their own bag during the qualifying round. **Pull-carts are allowed.**

Withdrawals

Contact the USGA Championship Administration Department at 908-234-2300 to officially withdraw.

Pace of Play Policy

A group that is out of position will be advised of the situation and the individuals may be timed. The players will be notified that exceeding 40 seconds to play their next shot will result in a penalty of one stroke. A second violation will result in a two stroke penalty, followed by disqualification for a third violation.

A player's time to play begins when the player has had a reasonable opportunity to reach his or her ball and when it is the player's turn to play and can do so without interference or distraction. Penalties are applied individually, but more than one competitor in a group may be penalized.

Pace of play guidelines are an average of 15 minutes per hole or approximately 4:30 for the round. Hole by hole time par is listed on the player's scorecard.
