### **Practice Rounds and Practice Facility**

You are entitled to **one** practice round from June 15-18. You must call the golf shop in advance to reserve a practice round tee time. Make sure to identify yourself as an Alabama State Parent-Child Championship participant. It would be helpful if you make your own group before calling. Do not just show up at the course and expect to be accommodated for a practice round. There is a **mandatory** \$50.00 fee for the practice round whether you walk or ride. Players are limited to playing one ball except from the teeing ground. Players are welcome to use the practice range and putting green throughout the championship. **Players will not receive the practice round rate on Friday, June 19 – Sunday, June 21.**

### **Starting Times**

Starting times will be available by 5:00pm Friday, June 19. Check the championship website <https://www.golfgenius.com/pages/5649469> or call the AGA office.

### **Championship Format**

Championship is conducted at 18 holes of modified alternate shot stroke play. Each side plays alternate shot except that both team members hit from their designated tee and then select the ball to be played. A side must complete the hole with the ball selected.

Teams select the division in which to compete if eligible:

**Amateur Division:** Team comprised of two amateurs. Champion is the team posting the lowest 18-hole gross score. Flights are determined based on number of entries using 50% team Handicap Index. Yardage is dependent on gender and age.

**Open Division:** Team comprised of one golf professional and one amateur (or an amateur awaiting reinstatement "A/R"). Yardage is dependent on gender, age, and amateur/professional status.

### **Pace of Play**

The AGA wants all players to enjoy competing in our events. Pace of play may differ depending upon the venue, weather, and course conditions. Every player is accountable for playing at an acceptable pace; therefore, we need your help. Please observe the following guidelines to help ensure a pleasant tournament experience for all:

- Make sure to keep pace with the group in FRONT of you. The group behind should keep pace with your group and so forth.
- Go directly to your ball. If sharing a golf cart, drop-off the player farthest from the hole then proceed to the other ball.
- Be ready to play when it is your turn.
- Keep practice strokes and time taken to read putts to a minimum.
- Play a provisional ball if your original ball may be lost or out of bounds.
- Keep time taken at the snack bar or between nines to a minimum.

If everyone does their part, then 4½ hours should be the maximum time taken to play a round of golf at an AGA tournament. Following the lead of the USGA, the AGA has developed a pace of play policy, based on Rule 5.6b and Model Local Rule 8K that is fair to every competitor.

\*Note: a group may receive a "friendly reminder" of their position regardless of pace of play guidelines.

### **Maximum Allowable Time**

The maximum allowable time is the maximum time considered necessary by the Committee for a group to complete its round. This is expressed in a per-hole and aggregate time format and includes all time associated with playing the game, e.g., for rulings and walking times between holes.

Both the specific maximum time allotted per hole and for the completion of 18 holes at AGA championships will be denoted on each player's AGA issued scorecard.

See the complete [AGA Pace of Play Policy](#) for the procedure if a group is "out of position" and penalty for breach of Pace of Play Policy.

**Cart/Range Fees**

- *Practice Rounds:* Cart/range fees are not included in the entry fee. Cart rental is mandatory for practice rounds payable at the host club.
- *Championship Rounds:* Championship site cart/range fees are paid by the AGA and included in the entry fee. Cart use is mandatory for the championship round.

**Caddies**

- *Caddies:* Caddies are not allowed for championship rounds

**Spectators**

- *Spectator Golf Cart Policy:* Due to the limited number of available golf carts, spectator carts may not available during the championship.
- *Disability Golf Cart Policy:* In consistency with the Americans with Disabilities Act (ADA), AGA will grant an individual with a bona fide disability a golf cart if the following conditions are met:
  - Requesting individual completes and submits a [Disabled Golf Cart Request Form](#) by the close of entries date;
  - Host club has a golf cart available.
  - Requesting individual pays host club, the appropriate fee.
  - Requesting individual presents to the AGA staff or AGA representative a disability card issued by a government agency.
- Spectator carts must remain on the cart path at all times and spectators must adhere to the club’s dress code policy.
- Spectators are not allowed to ride in a player’s golf cart at any time. Non-club owned spectator carts are not allowed except as provided in the [AGA Tournament Manual](#).

**Prizes**

- Trophies and merchandise is awarded to the overall champion in each division and winner in each flight. Merchandise distributed to top teams in each amateur flight. Open division merchandise is distributed based on the size of the field to both professional and amateurs. Ties for merchandise prizes are split except for the overall champion in each division (determined by an on-course playoff) and winner in each flight (determined by a score card playoff using the USGA recommended tie-breaker method).
- Prizes in AGA amateur championships comply with USGA Rules of Amateur Status (see USGA Rules of Golf).
- High School or collegiate players should check with their institution compliance department regarding High School or NCAA regulations relating to accepting prizes or merchandise.
