Member Clubs and Individual Members shall be entitled to all privileges and services offered by the Association. Section 3. Applications for membership shall be made in writing to the Secretary of the Association on such form as required, accompanied by such information as that Officer deems necessary for the Directors to have before passing on the application. No Member Club shall be admitted to membership in the Association without being first approved by a majority vote of the Directors constituting a quorum at a regular or special meeting of the Board of Directors or of a committee thereof authorized by the Board. Section 4. The acceptance of membership in the Association shall bind each member to abide by the Articles of Incorporation, the By-laws and the rules and regulations of the Association and to accept and enforce all decisions which the Board of Directors is authorized to make relating to the affairs of the Association. Section 5. No Member Club shall be suspended or expelled without due notice, with formal charges, and an opportunity to be heard in its own defense. Section 6. On ceasing to be a member of the Association, any member shall no longer be interested in, or have any interest of any kind whatsoever in any of the property of the Association. Section 7.
