

AGA On-Site Content Capture Policy

Players

We love to see players share their AGA tournament experience on social media and other digital platforms. However, our goal is to ensure there is no disruption to play or anyone's personal space.

All players and guests must abide by AGA spectator policies as it relates to general content capture. If you plan to have someone onsite with a camera or video equipment, please contact the AGA (205-979-1234) to learn more about our media credential process.

Caddies

We love to see our players, caddies and guests share their AGA tournament experience on social media and other digital platforms. However, our goal is to ensure there is no disruption to competitive play or anyone's personal space and that all caddies abide by the Rules of Golf.

Under no circumstance should caddies film or photograph players while on the course during a competition round.
