

## ***State Senior Four-Ball Championship***

**Ol' Colony Golf Complex**

***Tuscaloosa, Alabama***

**October 14-16, 2016**

### ***Entry Dates:***

**August 8 – October 3**

### **TOURNAMENT FORMAT**

The Championship will be conducted over 54 holes of Four- Ball Stroke Play, 18 holes daily on October 14-16, 2016. After 36 holes the field will be cut to approximately 32 teams.

The field will be limited to 60 teams. In the event the Championship becomes over-subscribed, the Final Field will be determined using a combination of Teams making the cut the previous year, Team's AGA Player Points, previous performances in AGA events and verified team USGA Handicap Index.

In the event of a tie for the Championship there will be a "multi-hole" play-off commencing immediately following play (the holes involved to be determined by the AGA) with the Champion being determined by the lowest total of those holes. If a tie, or ties, still exists, the Championship will then be decided by "sudden death" following the same sequence of holes. After the Champion has been determined, all other ties not yet settled, including those involving teams participating in the playoff for the Championship, will be decided by matching scorecards of the final round in accordance with the USGA recommendations shown in Appendix I of the current Rules of Golf, How to Decide Ties, page 160(c), except that if the tie still exists following this procedure, scores for the first 9 holes shall be treated in the same way until a winner is produced. Any remaining ties will be decided by matching cards hole-by-hole, beginning at the 18th hole.

Also, please be advised that clubs are operating in certain aspects at the direction of the AGA and any complaints regarding availability of cart, fees paid, or available practice times should be directed to the AGA and not the club staff. ## **Spectator Carts**

1. We welcome and encourage spectators at all AGA competitions.
2. The AGA, not the host club, determines whether spectator carts will be permitted during a competition.
3. If spectator carts are not allowed, the AGA follows the USGA policy of permitting the use of mobility scooters (golf carts are not acceptable) by any spectator who suffers from a disability that requires on-course transportation.
4. Anyone intending on renting a mobility scooter should call us, 205-979-1234, and let us know ahead of time. We will then make contact with the host club on your behalf and make arrangements to receive the vehicle, store and charge it overnight, and have it available for use the following day.
5. When on the course with the scooter, you must remain on the cart path at all times and stay up with the group you are following so as not to disturb play of the group immediately behind.

6. You need to be aware of all play around you when starting the scooter to ensure you don't disturb other competitors.

### **Caddies and Carts**

No caddies are available at the host club. It is permissible to bring caddies and any player who does so is solely responsible for his/her conduct. Contestants are not required to have either caddie or cart.

Golf carts are allowed, and are strongly recommended at this site, and are available to those contestants who have a valid Alabama driver's license. Cart fees will be the same for each player, even if circumstances are such that a player is left to ride by himself.

Users must obey the cart operations rules established by the host club, to include the allowance of spectator carts.

For further information regarding carts, please refer to the Cart Policy provided as part of the player packet given to players at registration.

### **Dress Code**

The dress code at the championship site will be strictly enforced. Jeans are NOT permitted and shorts MUST be "Bermuda" length, or mid-thigh. No shorts approximating "tennis" length will be tolerated and this includes cut-offs, tennis shorts, bathing suits, etc. Shirts must have collars.
