

Women's Stroke Play Championship

TP Country Club, Cullman, Alabama

July 20-22, 2016

Entry Dates: May 23 – July 11

TOURNAMENT FORMAT

The Championship will be conducted on a stroke play basis for 54 holes, 18 holes daily on July 20-22, 2016. Championship flight will consist of the low 12 handicap indexes as of the July 15, 2016 GHIN revision and any other players who chose to opt-in to Championship flight. All other players will be placed in to flights based on their score after 36 holes.

If, at the close of entries, the Championship is oversubscribed, the Final Field will be determined using a combination of the AGA's Player Points List, previous performances in AGA events, and verified USGA Handicap Index.

In the event of a tie for the Championship flight, there will be a "multi-hole" play-off commencing immediately following play (the holes involved to be determined by the AGA) with the Champion being determined by the lowest total of those holes. If a tie, or ties, still exists, the Champion will then be decided by "sudden death" following the same sequence of holes. After the Champion has been determined, all other ties in all other flights, will be resolved by matching scorecards according to the USGA recommendation shown in Appendix I of the current Rules of Golf, How to Decide Ties, page 160(c), except that if the tie still exists, scores for the first 9 holes shall be treated in the same way until a winner is produced. Any remaining ties will be decided by matching scorecards hole-by-hole, beginning at the 18th hole.

Conditions

The AGA Tournament Committee reserves the right to alter any of the conditions and schedules herein. The decision of the AGA in any matter shall be final.

Etiquette

We wish to bring to your attention, or remind you, that when a club graciously agrees to host an AGA championship or USGA qualifying event, it does so at no cost to either the player or the association. Therefore, we ask that you conduct yourself appropriately while a guest and take responsibility in the same regard for anyone accompanying you. Also, please be advised that clubs are operating in certain aspects at the direction of the AGA and any complaints regarding availability of cart, fees paid, or available practice times should be directed to the AGA and not the club staff. Thank you for your consideration of all the above. We hope you have a pleasant and successful competition.

Awards

Awards will be presented to the low 3 scorers in each flight.

In addition, the Champion will have their name engraved on a permanent trophy housed at the AGA office.

Spectator Carts

1. We welcome and encourage spectators at all AGA competitions.
2. The AGA, not the host club, determines whether spectator carts will be permitted during a competition.
3. If spectator carts are not allowed, the AGA follows the USGA policy of permitting the use of mobility scooters (golf carts are not acceptable) by any spectator who suffers from a disability that requires on-course transportation.
4. Anyone intending on renting a mobility scooter should call us, 205-979-1234, and let us know ahead of time. We will then make contact with the host club on your behalf and make arrangements to receive the vehicle, store and charge it overnight, and have it available for use the following day.
5. When on the course with the scooter, you must remain on the cart path at all times and stay up with the group you are following so as not to disturb play of the group immediately behind.

6. You need to be aware of all play around you when starting the scooter to ensure you don't disturb other competitors.

Caddies and Carts

No caddies are available at the host club. It is permissible to bring caddies and any player who does so is solely responsible for his/her conduct. Contestants are not required to have either caddie or cart.

Golf carts are allowed, and are strongly recommended at this site, and are available to those contestants who have a valid Alabama driver's license. Cart fees will be the same for each player, even if circumstances are such that a player is left to ride by herself.

Users must obey the cart operations rules established by the host club, to include the allowance of spectator carts.

For further information regarding carts, please refer to the Cart Policy provided as part of the player packet given to players at registration

Dress Code

The dress code at the championship site will be strictly enforced. Jeans are NOT permitted and shorts MUST be "Bermuda" length, or mid-thigh. No shorts approximating "tennis" length will be tolerated and this includes cut-offs, tennis shorts, bathing suits, etc. Shirts must have collars. Any player not meeting these standards will be asked to remedy this situation prior to play.

If you have any doubts as to what dress will be accepted, please ask prior to beginning play.
