CHAMPIONSHIP FORMAT

- 18 holes of gross individual stroke play to determine seeding within each Division.
- Championship Division will be cut to low 16 players from the stroke play qualifier and the remaining players will be placed into flights according to the number of entries within the division. A tie for the last qualifier's place will be decided immediately by a hole-by-hole playoff. Players are responsible for making themselves available at the scoreboard for play-off instructions. The play-off holes and their order of play will be determined by the Committee.
- Tournament and Senior Division players will be divided into flights of four (4) to compete at match play based on qualifying round score. USGA recommended score card playoff procedure (last 9, last 6, etc.) will be used to decide a flight break tie.

- Match Play Seeding: General numerical draw will be used. For purposes of determining places in the draw, ties in qualifying rounds for the #1 seed in the Championship Flight will be decided by USGA recommended score card playoff procedure (last 9, last 6, etc.) and all others will be decided by lot.
- Match Play stipulated round is 18 holes. In the event of a match standing all square after 18 holes, the stipulated round is deemed to extend on a hole-by-hole basis until a winner is determined.
- In each division, all players that lose in round one will be placed in a consolation flight.
- Overall Champion is the Championship Division winner.
