Practice Rounds and Practice Facility

You are entitled to **one** practice round on October 24th. You may call the golf shop 205-854-2382 to reserve a practice round tee time. Make sure to identify yourself as an Alabama Women's State Senior Amateur Championship participant. It would be helpful if you make your own group before calling. Do not just show up at the course and expect to be accommodated for a practice round. There is a **mandatory** \$25.00 fee for each practice round whether you walk or ride. Players are limited to playing one ball except from the teeing ground. Players are welcome to use the practice range and putting green throughout the championship.

Pairings/Starting Time

Pairings for the shotgun start for round one on October 25th will be available by October 20 by 5:00pm. Check the AGA website at www.Alabamagolf.org or call the AGA office.

Championship Format and Schedule

The Championship will be conducted on a stroke play basis for 54 holes, 18 holes daily on October 25-27, 2017. There will be three divisions as described in the [entry form](#) with the Champion being the player who posts the lowest 54-hole score in the Championship division. Tournament and Super Senior Divisions will be flighted after 36 holes by score (if necessary). Initial groupings will be for round one; field will be re-paired by score after each round. In the event of a tie for the Overall Champion only, there will be a hole by hole play-off commencing immediately following play (the holes involved to be determined by the AGA). After the Champion has been determined, all other ties not yet settled, including those involving individuals participating in the playoff for the Championship, and ties for Tournament and Super Senior division winners will be resolved by matching scorecards.

Tuesday, October 24	Registration & Practice Rounds
Wednesday, October 25	8:30 AM Shotgun Start– 1 st Round, 18 holes Stroke Play.
Thursday, October 26	8:30 AM Shotgun Start – 2 nd Round, 18 holes Stroke Play

Pace of Play: The AGA wants all players to enjoy competing in our events. Pace of play may differ depending upon the venue, weather and course conditions. Every player is accountable for playing at an acceptable pace, therefore we need your help. Please observe the following guidelines to help ensure a pleasant tournament experience for all:

- Make sure to keep pace with the group in FRONT of you. The group behind should keep pace with your group and so forth.
- Go directly to your ball. If sharing a golf cart, drop-off the player farthest from the hole then proceed to the other ball.
- Be ready to play when it is your turn.
- Keep practice strokes and time taken to read putts to a minimum.
- Play a provisional ball if your original ball may be lost or out of bounds.
- Keep time taken at the snack bar or between nines to a minimum.

If everyone does their part, then 4½ hours should be the maximum time taken to play a round of golf at an AGA tournament. Your AGA issued score card will have the acceptable pace of play per hole printed on it.

Pace of Play Policy

A group that is out of position will be advised of the situation and the individuals may be timed.

- Any competitor who is discovered taking more than 40 seconds to play a stroke is subject to a warning for slow play and will be advised of the fact.
- The competitor will be notified that exceeding 40 seconds on one more occasion will result in a penalty of one stroke in stroke play or loss of hole in match play. A third violation will result in a two stroke penalty in stroke play or loss of hole in match play, followed by disqualification for a fourth violation.
- A warning is any notice given to a competitor regarding pace of play.
- A competitor's time to play begins when the competitor has had a reasonable opportunity to reach his or her ball and when it is the competitor's turn to play and can do so without interference or distraction. Penalties are applied individually, but more than one competitor in a group may be penalized.

- In general, competitors in a group are subject to being timed at any time but specifically when the group is deemed to be out of position and over the allotted pace of play guidelines.

Note that a group that is out of position at any time may be asked to close the gap regardless of pace of play guidelines. A group is out of position if they are over their maximum acceptable pace of play and more than 15 minutes behind the group ahead of them. The first group off either side is out of position if they are over their maximum acceptable pace of play.

Cart/Range Fees; Push Carts

- *Practice Rounds:* Cart/range fees are not included in the entry fee. Cart rental is mandatory for practice rounds payable at the host club.
- *Championship Rounds:* Championship site cart/range fees are paid by the AGA and included in the entry fee. Competitors have the option to either walk or use a golf cart during championship rounds. Personal push carts are allowed.

Caddies/Spectators

- *Caddies:* Caddies are allowed for championship rounds and will be denoted by wearing an AGA issued caddie bib. Caddies will not be available at host club.
- *Spectators:* Spectators are welcome at AGA championships. Club owned spectator carts are not allowed. Spectators are asked to remain on or near cart paths and adhere to the club's dress code policy.
- *Caddie/Spectator Cart Policy:* During the play of a hole, either the player or his caddie may ride in a golf cart but not both at the same time. Spectators are not allowed to ride in a player's golf cart at any time. Club owned spectator carts are not allowed except as provided in the [AGA Tournament Manual](#). Due to the limited number of available carts, spectator carts may not be available during the championship.

Prizes

Awards will be presented to the top scores in Championship, Tournament, and Super Senior 65+ Divisions. In addition, the overall Champion will have her name engraved on the permanent trophy housed at the AGA office.

Championship Policies

- This is a soft-spike facility. The penalty for non-compliance is disqualification.
- Local Rule allowing the use of conforming distance measuring devices will be in effect (i.e. measure distance only) in this competition. A player may use a device to measure distance only. However, if, during a stipulated round, a player uses a function to measure other conditions that might affect his play (e.g., gradient, wind-speed, temperature, etc.); the player is in breach of Rule 14-3. Compass and weather applications are now permitted on the device.
- Local Rule for accidental movement of a ball on the putting green will be in effect. When a player's ball lies on the putting green, there is no penalty if the ball or ball-marker is accidentally moved by the player, his partner, his opponent, or any of their caddies or equipment. The moved ball or ball-marker must be replaced. Note: If it is determined that a player's ball on the putting green was moved as a result of wind, water or some other natural cause such as the effects of gravity, the ball must be played as it lies from its new location. A ball-marker moved in such circumstances is replaced.
