Pace of Play: The AGA wants all players to enjoy competing in our events. Pace of play may differ depending upon the venue, weather and course conditions. Every player is accountable for playing at an acceptable pace, therefore we need your help. Please observe the following guidelines to help ensure a pleasant tournament experience for all:

- Make sure to keep pace with the group in **FRONT** of you. The group behind should keep pace with your group and so forth.
- Go directly to your ball. If sharing a golf cart, drop-off the player farthest from the hole then proceed to the other ball.
- Be ready to play when it is your turn.
- Keep practice strokes and time taken to read putts to a minimum.
- Play a provisional ball if your original ball may be lost or out of bounds.
- Keep time taken at the snack bar or between nines to a minimum.

If everyone does their part, then 4½ hours should be the maximum time taken to play a round of golf at an AGA tournament. Your AGA issued score card will have the acceptable pace of play per hole printed on it.

Pace of Play Policy

A group that is out of position will be advised of the situation and the individuals may be timed.

- Any competitor who is discovered taking more than 40 seconds to play a stroke is subject to a warning for slow play and will be advised of the fact.
- The competitor will be notified that exceeding 40 seconds on one more occasion will result in a penalty of one stroke in stroke play or loss of hole in match play. A third violation will result in a two stroke penalty in stroke play or loss of hole in match play, followed by disqualification for a fourth violation.
- A warning is any notice given to a competitor regarding pace of play.

- A competitor’s time to play begins when the competitor has had a reasonable opportunity to reach his or her ball and when it is the competitor’s turn to play and can do so without interference or distraction. Penalties are applied individually, but more than one competitor in a group may be penalized.
- In general, competitors in a group are subject to being timed at any time but specifically when the group is deemed to be out of position and over the allotted pace of play guidelines.

Note that a group that is out of position at any time may be asked to close the gap regardless of pace of play guidelines. A group is out of position if they are over their maximum acceptable pace of play and more than 15 minutes behind the group ahead of them. The first group off either side is out of position if they are over their maximum acceptable pace of play.

Championship Policies

- This is a soft-spike facility. The penalty for non-compliance is disqualification.
- Local Rule allowing the use of conforming distance measuring devices will be in effect (i.e. measure distance only) in this competition. A player may use a device to measure distance only. However, if, during a stipulated round, a player uses a function to measure other conditions that might affect his play (e.g., gradient, wind-speed, temperature, etc.); the player is in breach of Rule 14-3. Compass and weather applications are now permitted on the device.
- Local Rule for accidental movement of a ball on the putting green will be in effect. When a player’s ball lies on the putting green, there is no penalty if the ball or ball-marker is accidentally moved by the player, his partner, his opponent, or any of their caddies or equipment. The moved ball or ball-marker must be replaced. Note: If it is determined that a player’s ball on the putting green was moved as a result of wind, water or some other natural cause such as the effects of gravity, the ball must be played as it lies from its new location. A ball-marker moved in such circumstances is replaced.
