### **Practice Rounds and Practice Facility**

Official practice round will be on Thursday, October 11. You must call the golf shop 334-273-8406 to schedule your practice round. Make sure to identify yourself as an Alabama State Senior Four-Ball Championship participant. It would be helpful if you make your own group before calling. Do not just show up at the course and expect to be accommodated for a practice round. There is a mandatory \$30.00/player fee for the practice round whether you walk or ride. Players are limited to playing one ball except from the teeing ground. Players seen hitting multiple shots from other areas of the course (bunkers, fairways, putting greens) will be removed from the golf course. Players are welcome to use the practice range and putting green throughout the championship.

### **Starting Times**

Starting times for October 12-13 will be available on October 5 by 5:00pm. Check the AGA website at [www.alabamagolf.org](http://www.alabamagolf.org) or call the AGA office.

### **Championship Format and Schedule**

- Entry is limited to the first 60 sides.
- If championship is full at the time of registration, a side may opt to be placed on the alternate wait list. Wait list alternates are ranked according to date/time an entry is received and processed.
- 54 holes of gross four-ball stroke play. Players in the Championship Division will be eligible to win the overall Championship
- The field will be cut to the low 30 sides and ties after 36 holes. Number of sides making the cut is calculated based upon percentage of sides in each division compared with the total field.
- The lowest score for 54 holes in the Championship Division will be the overall Champion and the lowest score in the Super Senior 65+ Division is the division champion.
- In the event of a tie for first place in the overall Championship or Super Senior 65+ Division, a hole-by-hole play-off will be held immediately following play. The play-off holes and their order of play will be determined by the Committee.
- Initial groupings will be for two days; the field will be cut and re-paired by score after the second round.

**Pace of Play:** The AGA wants all players to enjoy competing in our events. Pace of play may differ depending upon the venue, weather and course conditions. Every player is accountable for playing at an acceptable pace, therefore we need your help. Please observe the following guidelines to help ensure a pleasant tournament experience for all:

- Make sure to keep pace with the group in FRONT of you. The group behind should keep pace with your group and so forth.
- Go directly to your ball. If sharing a golf cart, drop-off the player farthest from the hole then proceed to the other ball.
- Be ready to play when it is your turn.
- Keep practice strokes and time taken to read putts to a minimum.
- Play a provisional ball if your original ball may be lost or out of bounds.
- Keep time taken at the snack bar or between nines to a minimum.

If everyone does their part, then 4½ hours should be the maximum time taken to play a round of golf at an AGA tournament. Your AGA issued score card will have the acceptable pace of play per hole printed on it.

### **Pace of Play Policy**

A group that is out of position will be advised of the situation and the individuals may be timed.

- Any competitor who is discovered taking more than 40 seconds to play a stroke is subject to a warning for slow play and will be advised of the fact.
- The competitor will be notified that exceeding 40 seconds on one more occasion will result in a penalty of one stroke in stroke play or loss of hole in match play. A third violation will result in a two stroke penalty in stroke play or loss of hole in match play, followed by disqualification for a fourth violation.
- A warning is any notice given to a competitor regarding pace of play.
- A competitor's time to play begins when the competitor has had a reasonable opportunity to reach his or her ball and when it is the competitor's turn to play and can do so without interference or distraction. Penalties are applied individually, but more than one competitor in a group may be penalized.
- In general, competitors in a group are subject to being timed at any time but specifically when the group is deemed to be out of position and over the allotted pace of play guidelines.

Note that a group that is out of position at any time may be asked to close the gap regardless of pace of play guidelines. A group is out of position if they are over their maximum acceptable pace of play and more than 15 minutes behind the group ahead of them. The first group off either side is out of position if they are over their maximum acceptable pace of play.

### Cart/Range Fees; Push Carts

- *Practice Rounds:* Cart/range fees are not included in the entry fee. Cart rental is mandatory for practice rounds payable at the host club.
- *Championship Rounds:* Championship site cart/range fees are paid by the AGA and included in the entry fee. Competitors have the option to either walk or use a golf cart during championship rounds. Personal push carts are allowed.

### Caddies

- *Caddies:* Caddies are allowed for championship rounds. Caddies will not be available at host club.
- *Caddie Cart Policy:* During the play of a hole, either the player or his caddie may ride in a golf cart but not both at the same time.
- Caddies are required to wear an AGA issued caddie bib at the championship proper.

### Spectators

- *Spectator Golf Cart Policy:* Due to the limited number of available golf carts, spectator carts may not be available during the championship.
- *Disability Golf Cart Policy:* In consistency with the Americans with Disabilities Act (ADA), AGA will grant an individual with a bona fide disability a golf cart if the following conditions are met:
  - Requesting individual completes and submits a [Disabled Golf Cart Request Form](#) by the close of entries date;
  - Host club has a golf cart available;
  - Requesting individual pays host club the appropriate fee;
  - Requesting individual presents to the AGA staff or AGA representative a disability card issued by a government agency.
- Spectator carts must remain on the cart path at all times and spectators must adhere to the club's dress code policy.
- Spectators are not allowed to ride in a player's golf cart at any time. Non-club owned spectator carts are not allowed except as provided in the [AGA Tournament Manual](#).

### Prizes

Awards will be presented to the Champions in both the championship and 65+ divisions. Merchandise prizes will be awarded to the top finishers in the championship division and the 65+ division. Champions will have their name engraved on the Bob Phillips trophy and may take possession of the trophy for the ensuing year.

### Championship Policies

- This is a soft-spike facility. The penalty for non-compliance is disqualification.
- Local Rule allowing the use of conforming distance measuring devices will be in effect (i.e. measure distance only) in this competition. A player may use a device to measure distance only. However, if, during a stipulated round, a player uses a function to measure other conditions that might affect his play (e.g., gradient, wind-speed, temperature, etc.); the player is in breach of Rule 14-3. Compass and weather applications are now permitted on the device.
- Local Rule for accidental movement of a ball on the putting green will be in effect. When a player's ball lies on the putting green, there is no penalty if the ball or ball-marker is accidentally moved by the player, his partner, his opponent, or any of their caddies or equipment. The moved ball or ball-marker must be replaced. Note: If it is determined that a player's ball on the putting green was moved as a result of wind, water or some other natural cause such as the effects of gravity, the ball must be played as it lies from its new location. A ball-marker moved in such circumstances is replaced.
