REPLACEMENT OF BROKEN OR SIGNIFICANTLY DAMAGED CLUBS

Model Local Rule G-9 is in effect.

OUT OF BOUNDS

- Defined by the line between the course-side points, at ground level, of white stakes, small electrical boxes marked with "OB", white lines, property fences, waterside edge of stone wall between holes 16 & 18 and white dots on the ground. Where a white stake, line or dot is inside an "OB" electrical box the white stake, line or dot defines OB. When OB is defined by lines and stakes, the line itself is OB. Electrical "OB" boxes circled with Blue paint are deemed obstructions not OB markers.
- Opposite pond grass bank left of Hole #6, right of Hole #13, left of Hole #17.
- All public roads are out of bounds defined by the inside edge of the road curbing.

PENALTY AREAS

- Concrete lined ditches are deemed to be Red penalty areas. The course-side edge of the concrete defines the margin.
- Where there is no line, the waterside edge of stone retaining walls around penalty areas define the margin. Red or yellow stakes along the wall identify the type of penalty area. If there are no stakes then treat as a Red penalty area.
- Hole #4** - As an additional option to Rule 17.1d for a ball known or virtually certain to be in the penalty area, the DROP ZONE (marked with DZ) located between the cart path and the penalty area may be used. A ball may be dropped anywhere in the closely mown area.

PUTTING GREENS

- Bare areas where the ball sits below the level of the ground on the putting green are ground under repair. Relief is for lie of ball only. Place the ball or another ball at the nearest point of complete relief. The nearest point of complete relief may be off the putting green.
- Nursery Green left of Hole #13 is a Wrong Putting Green.
